MEMORANDUM TO: Director of Materiel, DPD

SUBJECT : Replacement of Solid Door with Louvre-type Door

1. Request the solid door presently installed in the Planning Room, Operations Branch (Room 546), DPD, be replaced with a louvre-type door.
2. For reasons of security the door cannot be kept open at all times, and when closed, free circulation of air through the room is impeded, creating a definite health hazard.
3. If the above request is approved, further request the replacement door be equipped with a lock and key to permit securing the room.
